GETTING TO KNOW YOU....  
GETTING TO KNOW ALL ABOUT  
YOU.

Andrew Keck is a Co-Founder, Chief Technology Officer and Equity Partner at ProFile Discovery, a litigation support company. Since 2006, Keck has developed and led the electronic discovery practice for ProFile Discovery and has more than eighteen years working in the litigation support profession, coupled with an extensive background in electronic discovery. He continues to serve as an expert witness for court cases involving forensics and other technical issues with complex IT infrastructures.

Andrew holds an MS in Cybersecurity and is the author of "Electronic Discovery" a study discussing the overlapping of cybersecurity, forensics, and electronic discovery. He continues to speak at public events, law schools, and continuing legal education seminars.

In his spare time, Andrew enjoys hunting, boating, traveling, and spending time with his wife and children in Ohio and family in the Southwest.
